July 2009: The “birthing season” is in full swing, and dozens of kittens and pregnant felines (not much more than kittens themselves) are being brought to Second Chance every week. The shelter is overflowing, and there are even more kittens and nursing moms in foster care. The more homes that we can find for these babies, the more we will be able to take in. Prior to adoption, all pets are given a medical examination, spayed and neutered and brought up to date on their vaccinations.

Pictured here are just a few of our kittens, but there are many more to choose from. The shelter is open Tuesday through Saturday from 11:00-3:30 PM, with extended hours on Wednesday and Friday until 7:00 PM, and most Sundays from 12:00-3:00 PM. For more information call (802) 375-2898 or visit www.2ndchanceanimalcenter.org.
