Open House at Second Chance Animal Center

Shaftsbury, VT – Come one, come all! Second Chance Animal Center, located on Route 7A in Shaftsbury, VT (just north of Shaftsbury State Park), is holding its annual open house on Saturday, June 5th from 11 AM until 3 PM.

Take a tour of the shelter, get to see some of the wonderful animals that are available for adoption, meet old friends and make new ones, find out about volunteer opportunities, and enjoy the free refreshments.

If you have never visited Second Chance, now is your opportunity. Some people are afraid to visit a shelter because they think they will be overwhelmed by sadness. But Second Chance is light and bright, and the animals are well cared for. Most important, however, is that Second Chance is a no-kill shelter. Animals are given an open-ended stay until they are adopted. Second Chance never euthanizes an animal to make space for new arrivals.

To find out more about Second Chance and to see photos of some of our animals and read their stories, log onto our web site at www.2ndchanceanimalcenter.org. For more information call (802) 375-2898.
